Principal's Message

April is here and we have been able to hold some important events that we have been missing the past while. We had our first school wide assembly of the year. It was nice to have the whole school together and be able to see all the smiling faces. We are hoping to have an assembly every two weeks to make announcements and celebrate a variety of student achievements. Student-Led Conferences were also a great way to celebrate student learning and welcome adults into the building again. Students were very proud to be able to share their accomplishments with their parents/guardians.

We are looking forward to more school events. Division 3 has planned a number of spirit days for the school so make sure to check the upcoming theme dates for Twin Day, Crazy Hair or dress up as your favorite YouTuber Day as well as the classic Pajama Day. I'm anticipating that April will be a fantastic month at Ecole Muheim Elementary School.

Provincial Student Learning Survey

It is time to ask for your feedback. The Ministry of Education 2022 Student Learning Survey Information has been received by our district and we are currently supporting students in Grades 4 and 7 as they complete the student feedback portion of the survey. It would be very helpful for us to receive information from our Muheim parent community. Below you will find a link that will help you access the Parent Satisfaction Survey. Once you have clicked on the link below, please scroll to the "parent" section then login at the portion that reads "parent direct access." You will not require a login code. Surveys will be available online until April 30th.

Reminders:

- Parents, please call the school at 250-847-2688 or email the office at mmeoffice@sd54.bc.ca if your child will be late or absent.
- Please have your child bring extra clothes, socks & shoes to school as our field is very wet this time of year.
- Covid-19 Antigen Test Kits are still available at the school office for pickup by parents/guardians. Please avoid coming to the office between 12-1:00pm as the secretaries are not available to get the kits.

Here is the link outlining how to use the at-home kits:
