## Principal's Message

May is here and I am pleased to welcome Joan Richardson to Muheim Elementary School. Joan has been hired as our Indigenous Support Worker. It is an important role, and we are lucky to have her. I would also like to recognize a few of our students and staff that were brave enough to shave their heads in support of the Daffodil Dash event that raised money for cancer research. Mme Izzy, Layka, April and Taya were our brave Muheim Marmots. They were very successful in raising funds and were very giving of themselves.

This month we also have a Muheim talent show lined up. Many of our acts are busy practicing and I look forward to them sharing their talents with our school. Near the end of the month, we will have our Career Day and Bike Safety Week. Our staff have been busy planning great events and engaging lessons for our students. I look forward to another great month.

Students are encouraged to bike/scoot/rollerblade/walk to school and enjoy a treat in the morning when they arrive. If students are usually driven to school, consider parking over near the Chandler Park soccer field and walking the 5

minutes to school together. Everyone can get in on active transportation to school in the morning. Students who take the bus can still win draw prizes if they ride in their neighborhood at home. There will be a bike safety poster contest, (submissions are due no later than May 11), as well as great draw prizes to acknowledge participation throughout the week.
